

I would like to express my immense gratitude to the Government of the Russian Federation and the Organizations, for convening such an important event. This annual meeting of The International Exhibition of Tourism & Hospitality Industry MITT represents a paramount opportunity for enhancing and discovering new potentials of tourism, cross-cultural experiences and dialogue between our two friendly countries and the participating countries.

It is an honor for my country to take part in this major event. Our dedicated delegation of relevant experts in the above mentioned fields will elaborate on the true potentials of Jordan as a touristic, religious and economic investment destination. We invite all to experience the wonders of Jordan.
